Asst/Assoc/Full Professor of the Practice - Project Management
School of Professional Studies

Position Overview

The University of Kansas, Edwards Campus, School of Professional Studies, Project Management Department seeks two outstanding individuals for non-tenure track twelve-month faculty positions as Assistant Professor of the Practice for our growing Project Management department. Exceptionally qualified candidates will be considered at advanced levels. The successful candidate will have a professional record in project management and teaching, exceptional communication skills, and a strong commitment to educating and developing future project managers. The ideal candidate will have a developed teaching philosophy and a demonstrated desire to inspire students and encourage lifelong learning in project management. The candidate will be expected to teach at least eight graduate/undergraduate courses per academic year in the area of project management. As a Professor of Practice, the successful candidate has an obligation to maintain a consistent record of distinction through professional activities within the department and community. This position reports to the Director of Project Management.

This faculty position is expected to teach at the undergraduate level (Bachelor of Science and Bachelor of Applied Science in Project Management) and/or the graduate level (Master of Engineering in Project Management, Master of Science in Project Management, and Jayhawk Flex Master of Science in Project Management) Project Management programs and certificates. These programs are offered at the Edwards Campus in Overland Park, Kansas, the Leavenworth Campus in Leavenworth, Kansas, and online. The candidate will be expected to teach in various formats such as in-person, hybrid, and online (synchronous and asynchronous), and in a traditional, course-based degree program and in a competency-based education degree program (Jayhawk Flex).

Learn more about the Project Management programs at <http://ugpmgt.ku.edu> and <http://pmgt.ku.edu>.

The appointment is a Fiscal Year (12-month) appointment with an initial term of 3 years, with a course load of 3 classes each fall and spring semester and 2 courses each summer semester. Subsequent appointments may be offered, contingent upon a satisfactory comprehensive performance evaluation during the final year of this appointment and approval of the Dean of the School of Professional Studies.

Special consideration will be given to applicants committed to excellence who can contribute to the University's innovative, collaborative, and multidisciplinary initiatives to educate leaders, build healthy communities, and make discoveries that will change the world.

This position serves the education needs of a Johnson County Education Research Triangle (JCERT) program. Specific percentages of effort for JCERT are determined each year.

The KU Edwards Campus is in Overland Park, Kansas.

In a continuing effort to enrich its academic environment and provide equal educational and employment opportunities, the university actively encourages applications from members of underrepresented groups in higher education. KU's vision is to be an exceptional learning community that lifts each other and advances society. Our institutional priorities are to educate leaders, build healthy communities, and make discoveries that change the world. Additional information is available at <https://jayhawksrising.ku.edu/>

KU Benefits: KU offers an array of benefits to assist employees with their health, life, retirement, and other needs. Details regarding benefits offered to employees can be found here: <https://humanresources.ku.edu/benefits>
