

**POMS COLLEGE OF SUSTAINABLE OPERATIONS  
2017 MINI CONFERENCE – SEATTLE, WA  
MAY 04, 2017**

**Agenda for Thursday, May 4, CSO mini-conference:**

- 10:45am until departure - Mini-conference registration opens at hotel check-in table. Look for either of us (James or Brian) to get your registration materials and any last-minute instructions.
- 11:45am - Load the bus! *We will provide snacks in the afternoon. If you want a larger meal, plan to eat before we leave.*
- *Noon - Bus departs conference hotel. Due to Boeing security, you must be on the bus or have made arrangements in advance to meet with us at the bus arrival time.*
- 1:00pm - Arrive at Boeing Renton
- 1:15pm - Boeing factory tour
- 2:20pm – Convene in factory conference room
  - Welcoming remarks – Mike Galbreth & Saif Benjaafar
  - Mr. Wade Strange, Boeing Manufacturing Environmental Impact
  - Mr. Mark Augustyniewicz, Boeing Commercial Plane Environmental Strategy
  - POM journal Sustainable Operations Department – Ravi Subramanian & Charles Corbett
  - Closing remarks – Mike Galbreth
- 4:30pm - Bus departs for hotel
- 6:00pm - Mini-conference reception at hotel

Again, we will have light refreshments, sodas, snacks, and waters catered during the meeting portion of the event at Boeing.

**Now for the fine print straight from our Boeing hosts regarding visitor safety and security:**

- Please note that Boeing Renton is a secure facility and *Boeing will not accept individual arrivals at the gate*. You must ride the bus, or make alternate arrangements with us to meet the bus at the Renton facility gate.
- *Please make sure that you have some type of government-issued picture ID (e.g., driver's license, passport) with you.*
- You will be allowed to bring your phone or other smart devices in the facility but *no photos or videos* may be taken.
- You must wear factory appropriate footwear – feet completely covered with low, wide heels.
- Further safety information will be given to us by our Boeing hosts before we start the tour.
