POSITION OVERVIEW:

Candidates should hold a Ph.D. in Economics with a specialization in Industrial Organization, Operations Management, or Operations Research, and should possess excellent teaching abilities, as well as the potential to publish in leading academic journals. They may have demonstrated these qualities during their post-doctoral experience or during their previous employment. The successful candidate will be expected to participate in the teaching of core modules in Operations Management, in French and/or English, at the undergraduate and graduate levels and to develop lectures in their field of expertise at the graduate and Executive Education levels.

TBS Education offers competitive working conditions, including continuous training possibilities, dedicated support to research, teaching loads coherent with research objectives and the assistance of a dedicated pedagogical innovation team. In addition to a competitive salary, you will benefit from French social security and complementary health insurance. Furthermore, the school will help you settle in Toulouse by providing help in relocating and support in learning French.

ABOUT THE SCHOOL:

Founded in 1903, TBS Education is among the 1% of business schools with the “triple crown” of international accreditations: AACSB (renewed in 2024 for 6 years), EQUIS (renewed in 2024 for 5 years) and AMBA (renewed in 2021 for 5 years). More than 120 nationalities and 6,000 students are present on its 4 campuses located in the heart of dynamic cities: Toulouse, Paris, Barcelona (Spain) and Casablanca (Morocco). In addition, it benefits from a network of over 240 partner universities on 5 continents with the most prestigious higher education institutions.

In 2022, TBS Education adopted the “Business for Good” status, with the following ‘raison d’être’: *“Thanks to research with a societal impact, TBS Education trains diverse, open and enlightened learners, who will contribute to the development of a responsible and sustainable economy within their organizations”*. More about TBS Education as Business for Good can be found at [TBS Education Business for Good](#), and about its strategic plan at [TBS Education 2026 Strategy](#).

Research at TBS Education is articulated around six Research Labs, three Centers of Excellence: *Aeronautics and Space*, *Artificial Intelligence and Business Analytics*, and *CSR Sustainable Development*, and two chairs: The Sirius Chair and the APEM Chair: [High Impact Research TBS Education](#). TBS Education is also highly committed to Pedagogical Innovation, as illustrated by the prizes awarded in France and internationally to its projects and which include, for example, the Citation among AACSB’s “Innovations that Inspire”, the Eduniversal Pedagogy trophies in 2024 and 2025, or the AMBA & BGA Excellence awards in 2021 and 2022/23 [Pedagogical Innovation](#).

Toulouse is a dynamic business, cultural and educational center at the heart of Europe. Known in France as “La Ville Rose” (The Pink City) for its beautiful terracotta brickwork, it is ideally situated in the south-west of France, approximately two hours from the Mediterranean Sea, the Atlantic Ocean, and the Pyrenees mountains. European aerospace capital and home to more than 150 international companies, Toulouse offers a unique academic environment in a vibrant, cosmopolitan city: [Discover Toulouse](#)
