

Tenure-Track Positions at Antai College of Economics and Management, Shanghai Jiao Tong University

Antai College of Economics and Management (ACEM) at Shanghai Jiao Tong University (SJTU) invites applications for tenure-track positions in the areas of Business Analytics, Operations Management, Stochastic Models, Operations Research, Data-driven Decision Methodologies and Applications, and AI and Operations. We wish to recruit new faculty members at all levels (Assistant Professor, Associate Professor, and Professor). We offer excellent research support and competitive compensation packages comparable to those offered by research schools in China and Asia. We seek applicants with strong research potential, as well as a strong commitment to teaching. We enthusiastically invite scholars with an excellent record of research and teaching to apply for senior positions.

All candidates should hold a Ph.D. in a related field or be near completion of one. They are expected to demonstrate a strong commitment to research and teaching, evidence of publication potential, and the ability to teach in English or Chinese.

SJTU is one of the most prestigious universities in China. After more than 100 years of development, ACEM has secured its position as one of the top-tier business schools in China and is the first Chinese business school to be triple-accredited by AMBA, EQUIS, and AACSB. ACEM offers a variety of distinctive programs, including Ph.D., MBA, Executive MBA, Executive Education, Master of Finance, Master of International Business, and undergraduate programs in Economics and Management. ACEM collaborates with many prominent business schools in Europe, Asia, and the U.S.

Please submit all application materials through our online recruitment system at <http://mis.acem.sjtu.edu.cn/jszp/login.html> (Google Chrome is recommended).

Your application package should include:

- A cover letter;
- A CV;
- A job market paper and samples of publications (if any);
- A statement of teaching philosophy and research plan;
- Evidence of teaching performance (if any);
- Three letters of recommendation (submitted directly by the recommenders).

While applications will be accepted until the end of the year, those received before

October 15, 2026, will be considered for interviews during the 2026 INFORMS Annual Meeting.
