

The Management Department in the Saunders College of Business at Rochester Institute of Technology invites applications for a full-time, tenure-track assistant professor of supply chain management starting August 11, 2027. Candidates who are close to completing their doctoral degree in supply chain management, operations management, logistics, sourcing, purchasing and supply management, or related areas are encouraged to apply. Assistant professors with prior experience are also encouraged to apply. Teaching load is 2/2 for pre-tenure faculty and includes teaching undergraduate and graduate courses in supply chain analytics, sourcing, logistics, operations management, decision sciences, project management, and other related areas. The ideal candidate will demonstrate the potential to produce high-quality research. Evidence of teaching effectiveness at either the undergraduate or graduate level is expected.

We are seeking an individual who has the ability and interest in contributing to a community committed to student-centeredness; professional development and scholarship; integrity and ethics; innovation and flexibility; and teamwork and collaboration. Select to view links to RIT's <http://www.rit.edu/academicaffairs/policiesmanual/p040> and <http://www.rit.edu/academicaffairs/policiesmanual/p030>.

To attract and retain an excellent and innovative faculty, RIT offers a number of programs and professional development opportunities to help faculty succeed from our onboarding and orientation on through to the tenure and promotion process. <https://www.rit.edu/aes/ofr>

THE COLLEGE/ DEPARTMENT:

The Saunders College of Business (SCB) is accredited by AACSB International and served by more than 60 full-time faculty members. SCB faculty greatly value collegiality and teamwork, as evidenced by the high level of collaboration within and across departments. SCB offers bachelors' degrees in Business Administration with eight different majors. Graduate programs include a Ph.D., an MBA, an Executive MBA, and Masters of Science in several disciplines. Saunders is ranked 58th by US News and World Report.

The Department of Management is the largest in the college with 23 faculty members; 15 of which are tenured or tenure track. The department includes multiple disciplines: organizational behavior and leadership, strategy, supply chain management, global business, entrepreneurship, and decision sciences. The Department of Management houses BS and MS programs in Global Business Management and Supply Chain Management. Additionally, the department houses the Ph.D. concentration in Strategy and Innovation.

THE UNIVERSITY:

Founded in 1829, Rochester Institute of Technology has a long-standing history of innovation that blends the arts, technology, and experiential learning. In addition to its main campus in Rochester, New York, RIT maintains a strong international presence with over 100 active global partnerships and international campuses in Croatia, Dubai, and Kosovo. Nationally recognized for its co-op and internship programs, RIT is supported by more than 4,000 dedicated faculty and staff members committed to student success. Its 1,300-acre suburban campus features cutting-edge facilities that

reflect RIT's strengths in applied research, design, and workforce development. To attract and retain an excellent and innovative faculty, RIT offers a number of programs and <https://www.rit.edu/aes/ofr> to help faculty succeed from our onboarding and orientation on through to the tenure and promotion process.
