

Working/Functional Title

Assistant Professor Tenure System

Position Summary

Michigan State University's Eli Broad College of Business, Department of Supply Chain Management, has an opening for a tenure system assistant professor in Operations Management and Supply Chain Management to start in the 2027-2028 academic year. Duties include research, teaching, and service, and the teaching responsibility would involve Supply Chain or related courses.

Please note that this is a union position represented by the Union of Tenure System Faculty (UTSF). The university is working with the union to establish a collective bargaining agreement.

Equal Employment Opportunity Statement

All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, citizenship, age, disability or protected veteran status.

Required Degree

Doctorate -Supply Chain Management, Operations Management or related field

Minimum Requirements

The position requires a Ph.D. or equivalent degree from an accredited university. Candidates must have a conferred Ph.D. in Supply Chain Management or related field as of the start date of the position, and have a demonstrated record of research excellence, commensurate with their rank.

Desired Qualifications

Preference for candidates whose research focuses on healthcare operations and/or sustainability. Connections to risk and resilience within these supply chains would also be encouraged. Consistent with the language used in our previous search, we would welcome candidates using a range of empirical approaches, including data science, machine learning, and empirical analytics.

Required Application Materials

CV and Cover Letter

Special Instructions

Review of applications will begin as early as October 2026, and continue until the position is filled. To ensure full consideration, applications should be received by November 10th, 2026. Applications must be submitted online at: <http://careers.msu.edu>

Please reach out to Dr. Shawnee Vickery @ vickery@broad.msu.edu with any questions about the position.

Review of Applications Begins On

10/10/2026

Remote Work Statement

MSU strives to provide a flexible work environment and this position has been designated as remote-friendly. Remote-friendly means some or all of the duties can be performed remotely as mutually agreed upon.
