The Belk College of Business
University of North Carolina at Charlotte
BISOM

Assistant Professor

The Department of Business Information Systems and Operations Management within the Belk College of Business at the University of North Carolina at Charlotte invites applications for a full-time Tenure-Track Assistant Professor position, starting in Fall 2027. The successful candidate for this position will engage in high quality research, teach at the graduate and undergraduate levels, and participate in departmental governance and service activities. Candidates will be expected to develop a research record of publication in top tier journals and a track record of effective teaching. The teaching load is highly competitive.

All tenure-track faculty are expected to engage in service appropriate to their discipline. Faculty responsibilities and essential functions with respect to service may include but are not limited to service to the university at all levels, service to the profession, and public service.

Qualifications

The position requires a doctorate in Operations Management or a closely related discipline. All degree requirements are expected to be completed by the time of appointment. Candidates should have begun to establish a record of excellence in both research and teaching or show evidence of this potential.

Application Instructions & Process

Applications must be submitted electronically at https://jobs.charlotte.edu/hr/postings/71137 and include a cover letter that addresses the required and desired qualifications, and a current CV. Candidates may optionally provide copies of prior teaching evaluations. Applications will be accepted until the position is filled and will be considered on a rolling basis as they are received. If you have questions please contact Dr. Moutaz Khouja, Chair of the Search Committee, via email mjkhouja@charlotte.edu.

The candidate chosen for this position will be required to provide an official transcript of their highest earned degree as well as three letters of recommendation.

The candidate will be subject to a criminal background check. This position is subject to research-security screening as outlined in the full position description on the UNC Charlotte website.

About the College:

The Belk College of Business at UNC Charlotte is North Carolina's urban research business school. We are committed to creating an inclusive culture that inspires a passion for knowledge and intellectual growth as well as a dedication to service. We engage in research that fosters innovative business theory, policy, and practice. In strategic partnership with the Greater Charlotte region, we educate our students to become leaders who are critical thinkers, ethically informed, and globally aware.

The University of North Carolina at Charlotte is an equal opportunity employer and does not discriminate against employees or applicants for employment based on race, color, religion, sex, sexual orientation, gender identity, age, national origin, physical or mental disability, veteran status, or any other protected status. In keeping with this commitment, UNC Charlotte ensures that persons of any background are invited, included, and treated equally in the terms and conditions of employment.
